प्रेस विज्ञप्ति / PRESS RELEASE

Chennai Division of Southern Railway ferried 47.07 tonnes of Medical and essential supplies to various parts of the country in last 3 days

Chennai Division of Southern Railway continues to contribute to the national cause in these times of crisis by helping in the movement of essential commodities like medicines, food products, vegetables and other essential items to various destinations. Through uninterrupted Parcel Train services, Chennai Division ensures the supply chain of essential commodities is kept intact.

After the extension of lockdown, the Parcel train services has now started its second phase of transporting medical essentials to the needy. In last three days, Parcel Special Trains has carried 47.07 tonnes of medical and essential products to New Delhi, Mumbai, Howrah, Dimapur, Yeswantpur, Coimbatore and Nagercoil. Apart from essential commodities, parcel trains also carry postal and courier articles.

And now more number of established trading companies are seeking the services of Railways to move their products countrywide.
