प्रेस विज्ञप्ति /PRESS RELEASE

An Appeal to Migrant workers and Common Public

Railways play a major role in transportation of passengers and goods all over the nation. It is still continuing its run in this crucial lockdown period. The day when nation-wide lockdown was announced, Railways cancelled only the passenger train services. When demand for supply of medicines and essential commodities were raised, Freight trains and Parcel Cargo Express were operated to meet the demand.

And now in coordination with the State Governments, Southern Railway is running special trains for moving stranded migrant labourers and patients to their hometown, through Shramik Special trains. More trains to leave for northern states in upcoming days.

Only Passenger train services are suspended but hundreds of Freight trains, Parcel Cargo Express trains and Shramik Special trains run on track, daily to different parts of the nation.

Migrant workers and common men are hereby advised not to use railway tracks for any movement. It may cost your valuable lives. Walking on or crossing railway track is dangerous and punishable offence.
