No.PUB/MAS/2020/08/03

Date:10.08.2020

**प्रेस विज्ञप्ति /PRESS RELEASE**

**Speed trial in Chennai – Gudur and Chennai – Renigunta sections on 11th & 12th August, 2020**

Keeping pace with technology, Chennai Division of Southern Railway has adopted OMS, a state-of-the-art system to detect the condition of tracks. Oscillation Monitoring System (OMS) is an advanced portable instrument which continuously measures vertical and lateral accelerations at any desired location on the floor of a carriage while in motion. In connection with increasing of speed of trains in Chennai-Arakkonam-Renigunta and Chennai-Gudur sections, Chennai Division has proposed to conduct frequent speed trials with high speeds even upto 143 kmph in these sections.

Running of OMS speed trails in Chennai Division has been scheduled on the following dates:

On 11th August, 2020

- (i) In Chennai Central – Gudur section between 09:00 hrs to 12:00 hrs.
- (ii) In Gudur - Chennai Central section between 13:00 hrs to 16:00 hrs.

On 12th August, 2020

- (i) In Chennai Central - Arakkonam- Renigunta section between 10:00 hrs to 12:00 hrs.
- (ii) In Renigunta - Arakkonam - Chennai Central section between 13:00 hrs to 15:00 hrs.

Public staying in the vicinity of Railway lines between Chennai – Gudur and Chennai – Renigunta sections in Chennai Division of Southern Railway are hereby cautioned not to approach/trespass the Railway lines.
