Achievements:

Received MEDICAL EFFICIENCY SHEILD for MADURAI DIVISION during Annual Railway Week 2021.

Comprehensive Cleaning Contracts for 11 stations have been finalized and LOA issued.

Contract labourers have been reduced from 150 to 66 which led to saving in money value to the tune of Rs. 3,58,60,844/-.

In the Railway Hospital at Madurai -

- a) 57 cubicles were created for COVID Ward
- b) Liquid Oxygen 1 Kilo Litre Plant is installed.
- c) All the 105 beds have been connected to centralized Oxygen supply and provided with oxygen supply.
- d) 4 beds in the ICU and 2 beds in semi ICU created for COVID ward to manage severe patients.
- e) 8 HFNO and 4 ventilators have been procured for COVID ward.

System Improvement:

All official correspondences are done through e-office (100%).

Implementation of Cost Effective Methods:

During the lock down period, we continue to run the OPD department and treated both medical and surgical emergencies leading to huge cost saving and reduced the hardship of finding bed in private hospitals
