

Vigilance Department Case Study

Document : System Improvement
Department : Engineering
Suggestion Date : 29.10.2020
Implementation Date : 22.04.2021
Implementing Authority letter no : PCE'Letter.No.W.496/P/O/SNW dt 22.04.21
Implementing Authority : PCE
Applicable to Department(s) : Engg
Subject Title : Restrictive similar nature of work

Background:

- Similar nature of work adopted by open line of SR for “LUS /RUB /Bridges with subways” as “Construction of Bridges in RCC” .
- The description of SNW restrictive - does not include work done with PSC/Composite constructions.

Irregularities/ Deficiencies noticed

- TC separated RCC component from overall work value for PSC bridges & complainant’s offer considered ineligible. TAA discharged the Tender.
- Similar Nature of work adopted by CN/other Railways permits the works done in PSC composite bridges.

Implemented System Improvements:

- Modify the SNW so as to include PSC & composite bridge works.
- SNW modified from “Construction of Bridges in RCC” to “ Any bridge /ROB/RUB/LUS/FOB of RCC/PSC/Composite construction”

Benefits: Reputed companies having experience in construction of PSC & Composite Bridge Works, can participate for tenders in Bridge works.

Remarks if any: NIL
