प्रेसविज्ञप्ति /PRESS RELEASE

AUDIO ANNOUNCEMENT FACILITY AT DR MGR CHENNAI CENTRAL
RESTORED WITH IMMEDIATE EFFECT

The audio announcement facility at Dr MGR Central Railway Station has been restored with immediate effect, i.e from today, 6th March 2023.

The station was declared as silent Railway Station last week on a trial basis due to multiple audio announcements of passenger information and advertisements creating heavy noise to the boarding and de-boarding passengers which resulted in passenger complaints. These audio and visual systems have now been streamlined and restored so as to facilitate and hence the silent station move has been withdrawn.
