

EMPLOYEE OF THE MONTH

JAN' 24

Shri. Arunkumar G
SrTech/C&W/SRR

The membrane keypad in the control panel of the CNC lathe available at SRR was found defective and the keypad was send for repair to OEM M/s Siemens on 27.11.2023,the same was received after repair on 22.12.2023.During this period Shri.Arunkumar G,SrTech/C&W/SRR took the initiative to connect an external monitor, keypad and mouse to the CNC machine. He identified a suitable adaptor in the local market to connect the monitor to the machine. He also managed to find the appropriate keys in the QWERTY keyboard as an alternate to the CNC machine's membrane keypad to enable data input for CNC UFWL thereby avoiding machine downtime. His exceptional skill enabled the depot to give out turn of 17LHB coaches,3 ICF and 6 MEMU coaches. Also 4 ICF wheel sets and 1 BCN wheel set was turned during the period.

In recognition of the extra ordinary skill and dedication during duty, Sr.DME/PGT has declared Sri. Arunkumar G, SrTech /C&W/SRR as "Employee of the Month, Jan '24".
