Ramu was appearing for his SSLC examination that day. He had been studying hard all night and was very tired when he set out for the school at 9 O' clock from his house. The examination was supposed to start at 09.30 hrs. Ramu's sister, Revathi, advised him to hurry up and go to school so that he arrives there atleast by 09.15 hrs. Ramu's mother forced him to eat some tiffin before leaving fearing that if he went for the examination on an empty stomach he may not fare well. On the way to school, Ramu encountered an old beggar, who was lying on the side of the road and crying piteously. Overcome by sympathy, Ramu asked the beggar what he wanted. The beggar sobbed that he was unable to walk and that he wanted to be taken to the other side of the road. Though he was late, Ramu decided to help the beggar to cross the road. He supported the beggar on his shoulders and took him to the other side of the road and then hurried on to school.

a) Why was Ramu tired on the day of the examination?
b) What advise did Ramu's sister him him?
c) Why did Ramu's mother force him to take some tiffin?
d) Why was the beggar crying?

PTO

did the right thing or wrong thing? Why?
