Sub: **Registration of Request transfers/ Periodical transfer list in the Cadre of Commercial Clerks as on 31-12-2019.**

1) The names of Commercial clerks , who have completed 4 years service at their present stations/depots as on 31-12-2019 and thus become eligible for periodical transfer for the year 2020, are furnished in the statement - Annexure B (enclosed) .

2) The Status of each employee in the cadre of Commercial clerk, who has registered for transfer on request as on 31.12.2019 has been furnished in the statement- Annexure -A enclosed, along with the corresponding priority. The details are given grade-wise and category-wise.

The registration for request transfer is not on the specific condition that, the employees will be considered for request transfer only when transfers are ordered at their request. Such registrations will also be taken into account for periodical transfer according to their choice to the extent possible. Therefore, the registrants may have to carry out the transfers once ordered at their choice either in periodical transfer or on request transfer, whichever is ordered first. The employees, who have been transferred from their present station during periodical transfer, will be considered for re-transfer to the same station/seat **only after a period of two years** from their date of joining the new station. In such cases, there will not be any bar in overlooking their priority within the period of two years. Once a transfer order is issued at the request of the employee, his/her request (all the three choices) will automatically be cancelled.

All the Commercial Clerk working under your control may be notified accordingly. Any complaints from the staff side regarding the registrations may be brought to the notice of this office on or before 10.02.2020 without fail.
