Sub : Registration of request transfers in Pointsman Cadre as on
01.01.2021.

The names of employees in the Pointsman cadre who have registered for request transfer to stations indicated against their names within the division, as on 01.01.2021, is furnished in the enclosed list marked as Annexure A, B & C according to priority of registration. The name of employees who have applied for request transfer to the stations where there is no sanction for Pointsman A/B is placed in Annexure D. Since there is no sanction, their names have not been registered.

The registration for request transfer is not on the specific condition that the employees will be considered for request transfer only when transfers are ordered at their request. Once a transfer order is issued at the request of the employee, his/her requests (all the three choices) will automatically be cancelled.

All the employees working under your control may be notified. Any omissions/complaints regarding the above may please be brought to the notice of this office on or before 26.02.2021 without fail.
