Sub: Registration of Request transfers in the cadre of Ticket
Checking as on 09-01-2023

* * * * *

The status of each employee in Ticket Checking cadre, who has registered for transfer on request as on 09-01-2023 are furnished in the enclosed statement, along with the corresponding priority. The details are given grade-wise and category-wise.

The registration for request transfer is not on the specific condition that, the employees will be considered for request transfer only when transfers are ordered at their request. Such registrations will also be taken into account for periodical transfer according to their choice to the extent possible. Therefore, the registrants may have to carry out the transfers once ordered at their choice either in periodical transfer or on request transfer, whichever is ordered first. The employees, who have been transferred from their present station during periodical transfer, will be considered for re-transfer to the same station/seat **only after a period of two years** from their date of joining in the new station. In such cases, there will not be any bar in overlooking their priority within the period of two years. Once a transfer order is issued at the request of the employee, his/her request (all the three choices) will automatically be cancelled.

All the Ticket checking staff working under your control may be notified accordingly. Any complaints from the staff side regarding the registrations may be brought to the notice of this office on or before 31-01-2023 without fail.
