Sub: Registration of Request transfers/Periodical Transfer list in ECRC Cadre.

* * * * *

1) The names of staff in ECRC cadre who have completed 4 years service at their present stations/depots as on 31-12-2022 and have thus become eligible for Periodical Transfer in the year 2023, are furnished in the Annexure (enclosed) .

2) The Status of each employee who has registered for transfer on request as on **11.01.2023** has also been furnished in the Request transfer list enclosed, along with the corresponding priority.

The registration for request transfer is not on the specific condition that, the employees will be considered for request transfer only when transfers are ordered at their request. Such registrations on request will also be taken into account for Periodical Transfer to the extent possible. Therefore, the registrants may have to carry out the transfers once ordered at their choice either in periodical transfer or on request transfer, whichever is ordered first. The employees, who have been transferred from their present station during periodical transfer, will be considered for re-transfer to the same station/seat **only after a period of two years** from their date of joining the new station. In such cases, there will not be any bar in overlooking their priority within the period of two years. Once a transfer order is issued at the request of the employee, his/her request (all the three choices) will automatically be cancelled.

All the Depot Supervisors may verify the above PT list with the names of employees who have completed their tenure of 4 years at your respective Depots and the names of those left out from the above list may also be intimated to this office to incorporate their names in the Periodical Transfer-2023. All Commercial Clerks working under your control may be notified accordingly. Any complaints from the staff side regarding transfer registrations may be brought to the notice of this office on or before **10.02.2023** without fail.

Applications from the employees who have not registered their names for transfer so far and would like to register their names to any three stations of their choice, should reach this office on or before **10.02.2023**. Applications received after the due date will not be considered for Periodical Transfer-2023.
