**Sub: Registration of Request transfers/ Periodical Transfer List
in Commercial Clerks Cadre.**

* * * * *

1) The names of Commercial clerks , who have completed 4 years service at their present stations/depots as on **31-12-2022** and thus become eligible for Periodical Transfer for the year 2023, are furnished in the statement - Annexure A (enclosed) .

2) The Status of each employee in the cadre of Commercial clerk, who has registered for transfer on request as on **12.01.2023** has also been furnished in the Annexure enclosed, along with the corresponding priority.

The registration for request transfer is not on the specific condition that, the employees will be considered for request transfer only when transfers are ordered at their request. Such registrations will also be taken into account for periodical transfer according to their choice to the extent possible. Therefore, the registrants may have to carry out the transfers once ordered, at their choice either in periodical transfer or on request transfer, whichever is ordered first. The employees, who have been transferred from their present station during periodical transfer, will be considered for re-transfer to the same station/seat **only after a period of two years** from their date of joining the new station. In such cases, there will not be any bar in overlooking their priority within the period of two years. Once a transfer order is issued at the request of the employee, his/her request (all the three choices) will automatically be cancelled.

All the Depot Supervisors may verify the above lists and confirm the name of employees who have completed their tenure of 4 years at your Depots and the names of employees whose names have been left out from the above lists may also be intimated to this office so as to incorporate their names in the Periodical Transfer-2023. All Commercial Clerks working under your control may be notified accordingly. Any complaints from the staff side regarding request registrations may also be brought to the notice of this office on or before **10.02.2023** certain.

The applications from employees who have not registered their names for transfer so far and would like to register their names to any three stations of their choice, should reach this office on or before **10.02.2023**. Applications received after the due date will not be considered for Periodical Transfer-2023.
