ADVANCE RATES NOTIFICATION FOR RATE ADVICE No.08 OF 2025  
(Goods No. 79/2025)

विषय /Sub:- Provision of two point unloading of steel commodity in  
LSFTO rakes - reg.

संदर्भ / Ref:- 1. LSFTO Master Circular/LSFTO/2020/0 issued vide  
RB Lr. No.2020/TC(FM)/04/02 dt.16.03.2024.  
2. RMC Block Rakes/Mini Rakes/Two Point Combination/  
2020 issued vide Lr. No.TCR/1017/2020/03  
dtd.02.07.2020 and amendments/corrigendum thereto.

\*\*\*\*\*

For steel commodity carried in special purpose wagons under LSFTO, it has been decided to permit unloading at two locations, subject to the following conditions:-

2. The loading point and the unloading points of each rake must be approved by Railway Board as per Para 10.2 of LSFTO policy.
3. A minimum of 10 wagons should be unloaded at each destination. The total number of wagons indented and loaded must conform to the Block Rake composition as notified for various types of wagons by Board.
4. For the purpose of charging of freight for movement of empty rake (as required under Clause 11.5 of LSFTO policy), the loaded run will be reckoned from the loading point to the last unloading point, and the empty run will be reckoned to start from the last unloading point.
5. Charging of empty run shall be calculated as specified in 'case-II (trip to trip basis) in FM Circular 02/2025 only.
6. A Supplementary Charge of 5% will be levied on Basic Freight Rate for such two point loading.
7. Calculation of freight for two point unloading shall be as per the following illustration:

Assuming 35 wagons of a BFNVR rake (standard composition - 61), are loaded from station 'A' to destination station 'P' and 26 wagons are loaded for destination station 'Q', then freight shall be calculated as:

- a. Freight at train load class for 35 wagons from 'A' to 'P'
  - b. Freight at train load class for 26 wagons from 'A' to 'Q'
- Total freight = (a) + (b)

7.1 All other charges may be applied as per extant provisions.

I/402129/2025

8. Permissible free time shall be as per extant rules enshrined in RMC/Demurrage-Wharfage-Waiver/2016 and its amendments/corrigenda issued from time to time.

**Sub: Revision of Siding Charges with effect from 15.08.2025.**

Ref: ARN No. 07/2025 (Goods No.63/2025) dated 15.07.2025.

With effect from **15.08.2025**, the revised Siding Charges based on **All India Engine Hour Cost (AIEHC) 2025** for Diesel Shunting Engine, Diesel Train Engine and Electric Train Engine to be levied are as furnished in the **Annexure**.

The following conditions are applicable for levy of Siding Charges:

1. Assisted and Private Sidings are only open for traffic consigned to or by the firm or concerns for which the sidings are constructed.
2. Public Sidings are open for the public in general.
3. Siding charges are levied in addition to the freight charges.
4. Siding charge of originating station should be included in the Invoice along with Freight instead of being separately collected from the Siding owner. Siding charge will be shown in RR.
5. Siding charges are leviable for a minimum of **One Hour** (w.e.f .....01.10.2009).
6. The Siding charge '**Per Wagon**' wherever notified is for **8** – wheeled wagons.
7. Siding charges are not leviable on wagons shunted by firm's own or hired Locomotive.
8. At the Sidings notified as **Independent Booking Points**, freight charges will be levied on '**Through Distance**' basis upto the buffer end and '**No Siding Charges**' will be levied. However, **siding charges for piecemeal traffic will be levied**. The shunting charges for the shunting operations performed inside the siding will also be collected.
9. Siding charges are notified on '**Per Trip**' basis. For this purpose, a trip is defined as '*One movement of the engine from the serving station to the siding and back for placement and/or removal of wagons, whether loaded or empty*'.  
*back for placement and/or removal of wagons, whether loaded or empty*'.
10. The method of working out Siding charges on '**Per Trip**' basis is as follows:

$$\text{Siding Charge 'Per Trip'} = \frac{\text{All India Engine Hour Cost} \times \text{Trip Time}}{60}$$

11. Siding charges wherever notified on '**Per Wagon**' basis is leviable for the movement of each loaded wagon from Serving Station to the Siding and back and vice-versa. When empty wagons supplied for loading are returned empty without being loaded, the Siding charge as applicable for loaded wagons will be levied for return direction.
12. GST Charges applicable will be collected.
13. The Siding charges notified are for the use of one engine '**Per Trip**'. If more than one engine is used for hauling wagons in a trip, Siding charges will be levied Per Trip **x** Number of Engines used.

In cases where loads can be hauled by a single engine, and if double engines are utilized for operational convenience, Siding charges are to be levied for single engine only. In such cases, a Certificate should be obtained from the

Station Master of the serving station to the effect that double engines are utilized for operational convenience only. Based on this Certificate, siding charge will be levied for single engine only.

In cases where loads could not be hauled by single engine and double engines have to be utilized for hauling the loads, siding charges for double engines are to be levied.

14.No Siding charges should be levied on Railway materials and Stores booked in Departmental wagons as well as General Service wagons to **or** from Private and Railway Sidings for train load and wagon load (w.e.f...01.05.2007).

15.The Siding charges will remain in force until cancelled or revised.

in favour of M/s. Ennore Bulk Terminal Pvt. Ltd.,  
for movement of Gypsum from KPCA to SET.

Ref: ARN for RA No. 06 of 2022 (Goods No.85/2022).

\*\*\*\*\*

In terms of instructions contained in the notification quoted above, competent authority has accorded sanction for grant of freight concession at **23.19%** on Normal Tariff Rate (NTR) under 'Station-to-Station' rate scheme in favour of M/s. Ennore Bulk Terminal Pvt. Ltd., for movement of Gypsum (Commodity Code-1421313) from M/s. Kamarajar Port Ltd. Container Terminal Pvt. Siding (KPCA) to Settihalli Goods Shed for a period of **two years**, subject to the satisfaction of the following conditions:

1. Concession shall be availed only after the Benchmark NTKM of **23072777** remains surpassed. The benchmark NTKM shall be revised depending on the month from which the agreement will come into effect.
2. It needs to be ensured that the loading as committed by the Party is achieved based on the year-wise targets.
3. Though the agreed percentage of concession is now decided, the consideration of extending the same for the second year shall be depend upon the satisfaction of the committed loading in the first year. A provision to this effect is to be incorporated in the agreement.
4. The benchmark will be reviewed as and when required and rider agreement to be executed accordingly.
5. No other concession should be allowed to run concurrently alongside with this Station-to-Station rates.
6. As the commodity is a loose commodity and is prone for overloading, the consignments should be pre-weighed at KPCA or any other convenient associated weighbridge and a suitable clause to this effect to be incorporated in the agreement.
7. Duly observing all other guidelines as per the prevailing STS policy.

The concession will be effective from the first day of any coming month mutually agreed between Railway and the Customer.
