5. Training:

Ex-Servicemen found medically fit in the requisite medical classification will be imparted necessary training (theory and practical) for a period which will be determined by Railways before their actual engagement. No payment will be made for the period of training and the Ex. Servicemen have to make their own arrangements for travel to the training place, stay / accommodation, etc.

6. Place of Posting:

Ex-Servicemen who are found suitable will be engaged as Gatekeepers in Engineering Level Crossing Gates on a contract basis and posted over Salem Division.

7. Certificates and documents to be submitted:

Filled in the application form (enclosed in Annexure 'A') and self-attested copies of

1. Aadhar Card
2. Ex. Servicemen's Identity Card
3. Discharge Certificate
4. PAN card
5. Pension Payment Order (PPO).
6. Bank Pass Book First Page with IFSC code
7. Educational Qualifications (only passed Matric/X/X standard/SSLC or Equivalent Certificate)

(Note: Name spelling, date of birth, etc., should be the same in all the certificates/documents)

8. Other Conditions of engagement:

- a) After the scrutiny of the applications, medical examination and imparting of training is completed, the Ex. Servicemen will be subjected to a screening process to assess their suitability for engagement. After the screening, the recommended candidates shall execute an agreement on non-judicial stamp paper to the value of ₹ 100/- in the required format before their actual deployment for work.
- b) The contract of engagement is up to **31.12.2027**, and further extension is subject to the approval of the Railway Board.
- c) The Administration will be at liberty to terminate the services of the deployed personnel without prior notice in case their performance is found to be unsatisfactory.
- d) Ex-Servicemen who are found suitable will be engaged as Gatekeepers in Engineering Level Crossing gates on a contract basis in any section over Salem Division. Only those who are willing to post in any of the Engineering LC gates over Salem Division need to apply. The screening committee will also determine the place of posting. No request for a change of place will be entertained after posting.

- e) The contract may be terminated by either side by giving 15 days' notice. The performance monitoring of contractual appointees will be done regularly, and those who are unable to discharge the duties or who fail to perform as per the expectations of the administration may be given 15 days' notice, and their contract shall be terminated. However. When contract staff is found to be mentally or physically incapacitated, and in case of gross negligence/misconduct/misbehaviour/irregularities, the engagement contract may be terminated with immediate effect.
- f) If a full-time contract, Ex. Servicemen are on unauthorised absence beyond 3 days; their engagement will automatically be terminated.
- g) The engagement will be restricted to the number of vacancies available.
- h) Working hours will be 12 hours per day or 08 hours per day, depending upon the Level Crossing Gates they are posted to.
- i) Ex. Servicemen must wear a uniform and other gear prescribed by the Railways.
- j) The engagement is purely on a contract basis and will not get any advantage or preference for any job/benefits/privileges in Railways.

9. Emoluments and facilities:

- a) Ex-Servicemen deployed as Gatemen on a contract basis will receive an amount around ₹ 33,462/- per month as gross monthly remuneration in Class Y city and ₹ 31,662/- per month as gross monthly remuneration in Class Z city. Dress allowance of ₹ 6,250/- per annum will be provided in addition. Statutory recoveries will apply to the above.
- b) Ex-Servicemen deployed as Gatemen on a contract basis shall be entitled to 10 days of casual leave per year during the contract period. For any period of absence, a proportionate deduction from the monthly remuneration will be made.

10. Gatekeeper duties in brief:

The deployed trained Gatekeeper will work as per the Railway Act and perform duties as prescribed in Indian Railway Permanent Way Manual and General Rules (Open Line). Ex. Servicemen deployed as Gatekeepers are required to work as Gatekeepers at Level Crossing Gates situated on Railway tracks over Salem Division in Southern Railway. The duties in brief are given in **Annexure B**.

Ex-Serviceman who wishes to be deployed as Gatekeeper on contract basis on accepting all the terms and conditions laid above and agreeing to perform the Gatemen duties as stipulated in the Indian Permanent Way Manual and General Rules (Open Line) are advised to submit their applications in the prescribed format (**Annexure-A**) **on or before 18.12.2025** to **Divisional Personnel Officer, Southern Railway, Salem Division, Salem. Pincode-636 005**. Applications received after the last date will not be considered. The priority for posting their nearest native place will be considered on a first-come first first-served basis.

ANNEXURE 'B'**SOUTHERN RAILWAY**

(DPO/SA letter No. SA/P. 135/I/Ex.SM/Engagement/E-545613 dated 20.11.2025)

Duties of Gatekeeper:

- 1) Alertness: The Gateman should be alert and be prepared to take immediate action should danger be apprehended. The keys of the Gates shall be in his possession.
- 2) During passage of Train: The Gateman should stand facing the Track on the Gate lodge side of the approaching Train. He should observe all passing trains till the last compartment and be prepared to take such action as may be necessary to ensure the safety of Trains.
- 3) Action in emergency: In case of an obstruction at the Level Crossing, the Gateman should maintain the gate signals, if any, in the "ON" position and if unable to remove it, protect the line as under:
 - a) On double line, if both lines are obstructed during the day, he shall plant a red banner flag at a distance of 5 meters on the line on which a Train is expected to arrive first, then plant another red banner flag on the other line at the site of obstruction. He shall then pick up the red hand signal and show it, proceed on that line towards the direction of an approaching Train to a distance of 600 meters from the Level Crossing and place one detonator on the line. After which, proceed further to not less than 1200 meters from the Level Crossing and place 3 detonators on the line about 10 meters apart. Having thus protected the line on which a Train is expected to approach first, he should return to the Level Crossing, picking up the intermediate detonators on his way. He shall then proceed on the other line showing the red hand signal, place detonators similarly and return to the site of obstruction to warn the Driver of an approaching Train.
 - b) On a single line, if the line is obstructed during the day, he shall plant a red banner flag towards the direction from which a Train is expected to arrive first, then plant another banner flag towards the opposite direction at the site of obstruction. He shall then pick up the red hand signal and, as in sub-para(a) above, protect the line in the direction from which a Train is expected to approach first, return to the site of obstruction and proceed with all haste in the other direction to protect the line. Having protected the line on both sides, he should station himself at the place of obstruction to warn the Driver of an approaching Train.
 - c) At night, the Gateman should light the two hand signal lamps and take action to exhibit red light and protect the lines as in sub para(a) and (b) above.
 - d) Gateman should take immediate action to inform the Mate, SSE/P. Way or JE/P. Way and the nearest Station Master about the obstruction at the Level Crossing through messenger or other means available.
- 4) Parting of a Train: If a Gateman notices that a Train has parted, he shall not show a stop hand signal to the Driver, but shall endeavour to attract the attention of the Driver and the Guard by shouting, gesticulating or other means.
- 5) The Gateman should ensure that the Gate lamps and lamps of all Gate signals are lighted and kept burning continuously from sunset to sunrise.
- 6) No Gateman shall leave his Gate unless another Gateman has taken charge of it. If it is necessary to leave his Gate in an emergency, before doing so, he should close and lock the gate against the public road.
- 7) The Gateman should see that the channel for the flange of the wheel is kept clear.

The above instructions regarding the duties of the Gateman are indicative and not exhaustive. The nature of work, procedures, complete guidelines and duties of a Gateman are elaborated in the Indian Railway Permanent Way Manual, which has to be followed without deviation at all times during the work.
