

## STAFF WELFARE -watering –as on 31.10.2011

Sl.No.	Station	No of staff quarters	Source of Drinking water	Shortage if any	Remedial Measure taken(lorry mounted supply)	Remarks
1	ED	1405	River water, Bore well, Hand-pump borewell	Adequate water supply	—	Sufficient water supply arrangement
2	SGE	26	Bore well, Panchayat water supply	Adequate water supply	—	Sufficient water supply arrangement
3	ANU	11	Bore well and Open well	Adequate water supply	—	Sufficient water supply arrangement
4	CV	8	Bore well and Panchayat water supply	Adequate water supply	—	Sufficient water supply arrangement
5	TPM	7	Open well	Adequate water supply	Contractor water supply in summer	Sufficient water supply arrangement
6	PY	16	Bore well and contractor water supply	Adequate water supply	Contractor water supply to meet out the demand	Sufficient water supply arrangement
7	IGR	23	Open well and TWAD Board	Adequate water supply	—	Sufficient water supply arrangement
8	VZ	11	Open-well and Bore well	Adequate water supply	—	Sufficient water supply arrangement
9	UKL	10	One tap connection from TWAD Board	Adequate water supply	Contractor water supply in summer	Sufficient water supply arrangement
10	KUY	4	Bore well and pancayat water supply	Adequate water supply	—	Sufficient water supply arrangement
11	TUP	53	Open well & Municipal supply	Adequate water supply	—	Sufficient water supply arrangement
12	PTJ	683	Bore-well, Bore-well with Hand-pumps, TWAD Board and Corporation supply	Adequate water supply	—	Sufficient water supply arrangement
13	CBE	82	Borewell, Corporation water supply	Adequate water supply	—	Sufficient water supply arrangement
14	MTP	172	River Bhavani water	Adequate water supply	—	Sufficient water supply arrangement

15	VNJ	20	Bore well and Panchayat water supply	Adequate water supply	—	Sufficient water supply arrangement
16	SNO	15	Bore well and Panchayat water supply	Adequate water supply	—	Sufficient water supply arrangement
17	SUU	22	Bore well and Panchayat water supply	Adequate water supply	—	Sufficient water supply arrangement
18	IGU	12	Borewell and TWAD Board water supply	Adequate water supply	—	Sufficient water supply arrangement
19	CBF	27	CBF Corporation water supply i.e. Siruvani water	Adequate water supply	—	Sufficient water supply arrangement
20	SHG	11	Panchayat Water supply	Adequate water supply	—	Sufficient water supply arrangement
21	PLMD	14	Athikadavu Water supply	Adequate water supply	—	Sufficient water supply arrangement
22	KAY	9	Panchayat Water supply	Adequate water supply	—	Sufficient water supply arrangement
23	PKM	8	Lakshmi Mills works -water supply	Adequate water supply	—	Sufficient water supply arrangement
24	IDE	6	Panchayat Water supply	Adequate water supply	—	Sufficient water supply arrangement
25	SA	401	Municipal Water Supply,	Adequate water supply	—	Sufficient water supply arrangement
26	DSPT	18	Open well	Adequate water supply	—	Sufficient water supply arrangement
27	TNT	11	Contract	Adequate water supply	Contract	Sufficient water supply arrangement
28	KPPR	26	Contract	Adequate water supply	Contract	Sufficient water supply arrangement
29	NEY		Panchayat Water supply	Adequate water supply	—	Sufficient water supply arrangement
30	VRPD	11	Panchayat Water supply	Adequate water supply	—	Sufficient water supply arrangement
31	DVBH	6	Panchayat Water supply	Adequate water supply	—	Sufficient water supply arrangement
32	DC	15	Panchayat Water supply	Adequate water	—	Sufficient water supply

				supply		arrangement
33	MVPM	17	Panchayat and Contract water supply	Adequate water supply	contract water supply	Sufficient water supply arrangement
34	OML	12	Open Well	Adequate water supply	—	Sufficient water supply arrangement
35	SAMT		—	Adequate water supply	—	Sufficient water supply arrangement
36	MTDM	98	Municipal Water Supply,	Adequate water supply	—	Sufficient water supply arrangement
37	TPT	75	Open well, Bore well, Contractor water supply	Adequate water supply	—	Sufficient water supply arrangement
38	MOLK	0	Contract/Panchayat for station	Adequate water supply	—	Sufficient water supply arrangement
39	KEY	16	Bore well	Adequate water supply	—	Sufficient water supply arrangement
40	KNNT	10	Contract Supply	Adequate water supply	—	Sufficient water supply arrangement
41	SLY	52	Bore well, Open well, TWAD Board supply, Panchayat supply and contract supply	Adequate water supply during winter	—	<b>Inadequate water supply during summer</b>
42	DST	14	Bore well	Adequate water supply	—	Sufficient water supply arrangement
43	DPI	13	Contract Water supply	Adequate during monsoon	—	Deficiency in general
44	MAP	32	Open well and TWAD Board	Adequate water supply	—	Sufficient water supply arrangement
45	TNGR	2	Panchayat Water supply	Adequate water supply	—	Sufficient water supply arrangement
46	BDY	16	Railway Bore well in less qty -	Adequate water supply	Contractor water supply in summer and in the absense of Panchayat board water supply	Borewell may be deepened.

47	BBBH	3	Hand pump	Adequate water supply	—	Sufficient water supply arrangement
48	BQI	62	Open well and Bore well	Adequate water supply	—	Sufficient water supply arrangement
49	LCR	22	Open well	Adequate water supply	contract water supply when required	Fair water supply arrangement. Provision of new borewell to be considered.
50	ATU	39	Bore well, Municipal water supply	Adequate water supply	—	Sufficient water supply arrangement
51	SXT	10	Municipal Water supply, Bore well	Adequate water supply	—	Sufficient water supply arrangement
52	SLME	-	Municipal water supply	Adequate water supply	—	Sufficient water supply arrangement
53	APN	2	Ferrule connection by TWAD Bd, and Bore well	Adequate water supply	—	Sufficient water supply arrangement
54	MPLI	4	Panchayat water supply and bore well	Adequate water supply	—	Sufficient water supply arrangement
55	SNVD	—	—	—	—	Water supply to Rly station only
56	SGE	4	Bore well and TWAD Board	Adequate water supply	—	Sufficient water supply arrangement
57	ETP	—	—	—	—	Water supply to Rly station only
58	PDKM	—	—	—	—	Water supply to Rly station only
59	KTKT	4	Contract Water supply	Adequate water supply	—	Sufficient water supply arrangement
60	TVS.H	—	—	—	—	Water supply to Rly station only
61	MLYR	—	—	—	—	Water supply to Rly station only
62	CHSM	17	Bore well and contractor water supply	Adequate water supply	Contractor water supply for meeting full demand of water	Sufficient water supply arrangement

63	PRV	1	Bore well /contracto water supply	Adequate water supply	contract water supply when required	Sufficient water supply arrangement
64	KKTLH	—	—	—	—	Water supply to Rly station only
65	MKSP	—	—	—	—	Water supply to Rly station only
66	KRR	116	Bore well, Municipal Water supply, contractor water supply	Adequate water supply	Contractor water supply when required	Sufficient water supply arrangement
67	CVD	9	Open well and Bore well	Adequate water supply	—	Sufficient water supply arrangement
68	PAS	7	Open well and bore well	Adequate water supply	—	Sufficient water supply arrangement
69	URL	8	Open well and Bore well	Adequate water supply	—	Sufficient water supply arrangement
70	KMD	13	Open well	Adequate water supply	—	Sufficient water supply arrangement
71	PGR	22	Supply from TNPL	Adequate water supply	—	Sufficient water supply arrangement
72	MPLM	11	Open wel and contract water supply	Adequate water supply	contract water supply when required	Sufficient water supply arrangement
73	VRQ	15	Open well and Panchayat water supply	Adequate water supply	—	Sufficient water supply arrangement
74	MYU	14	Bore well and Panchyat water supply	Adequate water supply	—	Sufficient water supply arrangement
75	SVI	2	Open well	Adequate water supply	—	Sufficient water supply arrangement
76	MMH	7	MMH	Adequate water supply	—	Sufficient water supply arrangement
77	TIC	5	Open well	Adequate water supply	—	Sufficient water supply arrangement
78	LP	6	Panchayat water supply	—	—	One submersible pump to be provided.
79	KLT	12	Open well	—	—	GLR and OHT construction work to be

						taken up.
80	MUQ	4	Open well	Adequate water supply	—	Sufficient water supply arrangement
81	PLI	16	Bore well	Adequate water supply	—	Sufficient water supply arrangement
82	PGN	11	Bore well and Open well	Adequate water supply	—	Sufficient water supply arrangement
83	EL	10	Open well	Adequate water supply	—	Sufficient water supply arrangement
84	JPM	2	Open well and bore well	Adequate water supply	—	Sufficient water supply arrangement
85	MKY	2	Open well	Adequate water supply	—	Sufficient water supply arrangement
86	MTNL	13	Open well, Bore well( and Panchayat common tap to Stn)	Adequate water supply	—	Sufficient water supply arrangement
87	VEI	20	Bore well	Adequate water supply	—	Sufficient water supply arrangement
88	PALM	19	Open well	Adequate water supply	—	Sufficient water supply arrangement
89	EDU	20	Open well and contract water supply	Adequate water supply	Contractor water Supply due to heavy saltness of Rly open well water	Sufficient water supply arrangement
