Sub:Suspension of Apprenticeship Training in view of spread of COVID -19 - reg.

Ministry of Skill Development and Entrepreneurship has advised to stop all Apprenticeship Training in all Establishments over the country. Hence it is instructed to stop the Apprenticeship Training including Basic Training(classroom training), on the job training, mobilization of candidates, Theoretical or practical assessments and any kind of promotional activities with immediate effect during the lockdown period. To compensate the loss of training days, the Apprentice training will be extended for the number of such dislocation. They will be eligible for stipend for the period of dislocation.

Hence the training period of all apprentices presently undergoing training under Apprentices Act 1961 are extended by the number of days of such dislocation. All the apprentices may be advised accordingly.
